ORDER OF THE DAY

REPORTS OF STANDING COMMITTEES

Representative Rhoads, for the Committee on Labor & Public Employment presented a report (Stand. Com. Rep. No. 1-12) recommending that H.B. No. 994, as amended in HD 1, pass Second Reading and be referred to the Committee on Consumer Protection & Commerce.

On motion by Representative Chong, seconded by Representative Evans and carried, the report of the Committee was adopted and H.B. No. 994, HD 1, entitled: "A BILL FOR AN ACT RELATING TO MOTOR VEHICLE INSURANCE," passed Second Reading and was referred to the Committee on Consumer Protection & Commerce.

Representative Rhoads, for the Committee on Labor & Public Employment presented a report (Stand. Com. Rep. No. 2-12) recommending that H.B. No. 1356, as amended in HD 1, pass Second Reading and be referred to the Committee on Judiciary.

Representative Chong moved that the report of the Committee be adopted, and that H.B. No. 1356, HD 1, pass Second Reading and be referred to the Committee on Judiciary, seconded by Representative Evans.

Representative Belatti rose to speak in support of the measure with reservations, stating:

"Mr. Speaker. Thank you, Mr. Speaker. I'd like to just note my reservations with Standing Committee Report No. 2-12. I understand the privacy interests that the supporters of this bill would like to protect, but I think this might be going too far. And just as an example it says that we would block out providing information about education and training background. I just wanted to do a little anecdotal example of how this might be going too far.

"As a parent of a public school student, as it is, finding out the educational and training backgrounds of the teachers who teach my child is something that I have to go in and affirmatively request. Whereas, in comparison to private school parents, who are often given handbooks that freely tell them what the backgrounds of their teachers are. I think this is a step in the wrong direction to providing transparency to the public, for important information that helps people make wise choices. Thank you, Mr. Speaker."

The motion was put to vote by the Chair and carried, and the report of the Committee was adopted and H.B. No. 1356, HD 1, entitled: "A BILL FOR AN ACT RELATING TO PUBLIC EMPLOYEES," passed Second Reading and was referred to the Committee on Judiciary.

Representative Rhoads, for the Committee on Labor & Public Employment presented a report (Stand. Com. Rep. No. 3-12) recommending that H.B. No. 1452, as amended in HD 1, pass Second Reading and be referred to the Committee on Judiciary.

Representative Chong moved that the report of the Committee be adopted, and that H.B. No. 1452, HD 1, pass Second Reading and be referred to the Committee on Judiciary, seconded by Representative Evans.

Representative Fontaine rose to speak in support of the measure, stating:

"Yes, Mr. Speaker. I stand in strong support of this measure. Yesterday, Mr. Speaker, I had the opportunity to interview a sex trafficking survivor. She is a local girl. She has a college degree, and is a single mom. She was pulled into this very dark world of sex trafficking. Mr. Speaker, this is not just prostitutes on a street corner. This is in every aspect of our community, and people are controlling these women. And when they have an opportunity to escape, we need to have the services in place to help these victims, to continue their survival.

"This is a \$37 billion a year industry in the United States and that is a conservative estimate. So we as a Body, as the State, we need to do all that we can to support this measure and these victims. Thank you."

Representative M. Lee rose to speak in support of the measure, stating:

"Mr. Speaker. I stand in strong support, and I would also like to say that the most important thing in dealing with sex trafficking is the services. You can change the law, but if you don't have the services for the victim, you won't be successful. Thank you, very much."

The motion was put to vote by the Chair and carried, and the report of the Committee was adopted and H.B. No. 1452, HD 1, entitled: "A BILL FOR AN ACT RELATING TO SERVICES FOR SURVIVORS OF HUMAN TRAFFICKING," passed Second Reading and was referred to the Committee on Judiciary.
